

# Hello Ladies!

It is my great privilege and honor to invite you to join us in our Women's Ministry activities here at FBC Rogers. I have been involved in this ministry in one way or another for the past twenty years, and I still find it exciting and challenging. I also love that through the Women's Ministry I have met and become friends with so many ladies. Sharing life's experiences with them has blessed me beyond measure! If you have questions about Ladies of First Women's Ministry please contact me through [ladiesoffirst@fbcrogers.org](mailto:ladiesoffirst@fbcrogers.org).

## Through All Seasons of Life

Ladies of First has blessed me in many ways, throughout different seasons of my life, but the Bible Studies impacted me more than any other. As a young mother, I enjoyed studying the Bible with other moms and knowing my children were well cared for in the nursery. I met mothers experiencing the same struggles and joys I was, and I met those who had raised their children and could give me advice to help me through those tough toddler years and beyond. These studies kept me in God's word by providing structured lessons at a time in my life when there

was very little structure. Now that I am through those difficult toddler years, I enjoy leading Bible Studies and meeting new friends at the Women's Retreat each spring. I am thankful for the FBC Rogers Women's Ministry and all it does for women in all seasons of life!

As a college student I was greatly influenced by the Women's Ministry at FBC Rogers. The Breakaway Retreat and the events throughout the year helped me learn Biblical truths as well as develop new relationships. Now as a young adult, I still appreciate the life changing opportunities I have through our Women's Ministry.
