# Parent Newsletter

Hello Parents!

We have our new preschool/nursery schedule that will continue through the end of January.

Thanks to everyone's participation, our parents are now serving once every seven weeks.

Your team may have changed, be sure to look which team you are on and your classroom assignment as there have been many changes!

Promotion Sunday was August 14th! Please make sure your kids are going to their new classrooms.

## Pre-K and Kindergarten Worship Schedule

Our Pre-K and Kindergarten kids benefit from attending both hours on Sunday morning. Worship time is when your child hears the Bible story, has an offering and sings. During the Learning Activities the children will have center-based learning and crafts are made during this time. Please send a Bible (not a story-book Bible) and an offering each week with your child.

## LABEL, LABEL, LABEL

Please label all items for your child. This includes diaper bags, bottles, sippy cups and pacifiers. Each class has a marker and tape if you need to label an item.
